**Inclusion Support Service**

## Who are we and what do we do?

We are excited to share information with you about the outreach services available through YarraMe School.

YarraMe School is a regional support service that all government primary schools in the North Western Victoria Region can engage when they need specialised assistance in understanding learners who may be experiencing social, emotional or behavioural difficulties.

The core focus of the program is for the YarraMe Inclusion Coach to work with the Team Around the Learner (teachers, leaders of the school and parents or carers) to build positive and respectful relationships with learners in order to enhance engagement in learning in their classroom.

Often work is done through observations of learners, attendance at Student Support Group Meetings and professional conversations around understanding learners. Sometimes recommendations will be made to parents to connect you and your family to services that may support you.

The Inclusion Coach is approachable, dedicated and specialise in supporting children and their families towards engagement in learning.

*We value, respect and adhere to the Victorian Department of Education Guidelines and Policies*

### Yarra Me School - Values:

- Being Safe
- Being Responsible
- Being Respectful
- Being a Learner

We aim to enhance engagement in learning through:

- Respectful Relationships
- Individual Learner voices being heard
- Supporting the Team Around the Learner to work together
- Working with the learner to understand the values of their school
- Developing comprehensive 'Learner Profiles'
- Facilitate the implementation of personalised supports and plans

Together with the Team around the Learner coaches will:

- Make recommendations on Positive Behavior Supports for learners,
- Provide support to learners in the classroom,
- Team teach with the teacher,
- Meet with the parents/carers, teachers, principals and (and with consent) any other professional working with the learner (Team around the Learner),
- Assess and collect data.

This information will help us to work together with teachers to create and personalise (where applicable):

- Individual Learning Profiles,
- Individual Learning Plans,
- Positive Behaviour Support Plans.

The referring primary school will arrange Student Support Group meetings to enable parents to meet with the coach.
