Learn together. Succeed as one.

## Outreach Coaching Service

## Who are we and what do we do?

YarraMe School is a regional support service that all government primary schools in the North Western Victoria Region can engage when they need specialized assistance in understanding learners who may be experiencing social, emotional or behavioural difficulties.

The core focus of the program is for the YarraMe Outreach Coach to work collaboratively in supporting the needs of the students, teachers, and whole school practices.

The Outreach Coach will work with the Team around the Learner to build positive and respectful relationships with the learners to enhance engagement in learning.

## The Outreach Support is:

- A one term program.
- Outreach Coaches work with each school two days per week over the term.
- Our Outreach can work with up to three students from each school.
- They will provide comprehensive documented supports to the school with the aim of students fully engaging with their learning, undertake classroom observations, attend Student Support Group meetings and have professional conversations with key staff.

Students can be referred by the student's main school at any time. The YarraMe Leadership team considers each request as referrals are received.

Schools are allocated this Service based on need and their ability to respond to the program requirements. Schools can refer **three students**.

Referrals are accepted from primary schools in the North Western Victoria Region – NEMA and HUMA. Referral schools are required to demonstrate their “**referral pathway**” in supporting the students in their school.

## ADMINISTRATION SERVICE FEE

\$600 per term, per school is charged to the referring school.
