

Understanding Attachment and Trauma Course

Online professional learning for teachers and allied health

Understanding Attachment and Trauma is an online learning course that enables professionals to undertake professional learning focussing on the understanding, assessment and classroom support of students with behaviours related to experiences of disrupted attachment and trauma.

This blended learning course is held over approximately ten weeks with three face-to-face sessions (75 minutes)

Bookings are made via our website <http://www.yarrame.vic.edu.au/attachment-and-trauma-theory-training.html>

Course Overview

- o Understanding the impact of disrupted attachment and trauma experiences on learning
- o Attachment Theory and Attachment Disorders
- o Practical strategies and resources for supporting students with disrupted attachment and trauma background
- o Development of effective individual learning and behaviour support plans
- o Case studies
