PURPOSE

To ensure school staff understand their supervision and yard duty responsibilities.

SCOPE

This policy applies to all teaching and non-teaching staff at YarraMe School, including education support staff, casual relief teachers and visiting teachers.

POLICY

Appropriate supervision is an important strategy to monitor student behaviour and enables staff to identify and respond to possible risks at school as they arise. It also plays a vital role in helping schools to discharge their duty of care to students.

The Principal is responsible for ensuring that there is a well organised and responsive system of supervision and yard duty in place during school hours, before and after school, and on school excursions and camps and other school activities.

School staff are responsible for following reasonable and lawful instructions from the Principal, including instructions to provide supervision to students at specific dates, times and places. Supervision should be undertaken in a way that identifies and mitigates risks to child safety.

Before and after school

YarraMe School's grounds are supervised by school staff from 8:50 AM until 3:50 PM. Outside of these hours, school staff will not be available to supervise students. i.e., playgrounds.

Yard Duty is not allocated to the key teachers who are working at Hurstbridge Farm Campus as the students are discharged to DFFH 'Duty of Care' at recess and lunchtime.

Parents and carers will be advised through information packs about before and after school supervision e.g.: regular reminders from students Key Teachers, Program Managers that they should not allow their children to attend YarraMe School outside of these hours.

If a student arrives at school before supervision commences at the beginning of the day, the Principal or nominee staff member will, as soon as practicable, follow up with the parent/carer to:

- advise of the supervision arrangements before school

- request that the parent/carer make alternate arrangements.

If a student is not collected before supervision finishes at the end of the day, the Principal or nominee staff member will consider whether it is appropriate to:

- attempt to contact the parents/carers
- attempt to contact the emergency contacts
- place the student in the Administration office
- contact Victoria Police and/or Child Protection to arrange for the supervision, care and protection of the student.

YARD DUTY

All staff at YarraMe School are expected to assist with yard duty supervision and will be included in the weekly roster.

The Program Managers are responsible for preparing and communicating the yard duty roster on a regular basis. At YarraMe School, school staff will be designated a specific yard duty area to supervise.

SCHOOL STAFF

- YarraMe School runs an active supervision yard duty timetable. All staff on Duty have been inducted. Staff are familiar with all student's behaviour and health needs.

Yard duty responsibilities

Staff who are rostered for yard duty must remain in the designated area until they are replaced by a relieving staff member.

During yard duty, supervising school staff must:

- methodically move around the designated zone ensuring active supervision of all students
- where safe to do so, approach any unknown visitor who is observed on school grounds without clear legitimate purpose, and ensure they have a visitor pass and have signed in (excluding drop off and collection times)
- ensure students remain in their designated zones
- be alert and vigilant
- intervene immediately if potentially dangerous or inappropriate behaviour is observed in the yard
- enforce behavioural standards and implement appropriate consequences for breaches of safety rules, in accordance with any relevant disciplinary measures set out in the school's Student Engagement policy
- ensure that students who require first aid assistance receive it as soon as practicable
- log any incidents or near misses as appropriate, on *Compass*.

If being relieved of their yard duty shift by another staff member (for example, where the shift is 'split' into 2 consecutive time periods), the staff member must ensure that a brief but adequate verbal 'handover' is given to the relieving staff member in relation to any issues which may have arisen during the first shift.

If the supervising staff member is unable to conduct yard duty at the designated time, they should contact the Program Manager with as much notice as possible prior to the relevant yard duty shift to ensure that alternative arrangements are made.

If the supervising staff member needs to leave yard duty during the allocated time, they should contact the Program Manager but should not leave the designated area until the relieving staff member has arrived in the designated area.

If the relieving staff member does not arrive for yard duty, the staff member currently on duty should notify the Program Manager and not leave the designated area until a relieving staff member has arrived.

Students will be encouraged to speak to the supervising yard duty staff member if they require assistance during recess or lunchtime.

Classroom

The classroom teacher is responsible for the supervision of all students in their care during class, which may include the classroom and outdoor classrooms.

If a teacher needs to leave the classroom unattended at any time during a lesson, they should first contact the Program Manager for assistance. The teacher should then wait until a replacement staff member has arrived at the classroom before leaving.

School activities, camps and excursions
